How to prepare for your MRI Examination

Important

- For Abdomen/Pelvis MRI Examinations: Do not eat or drink anything for 4 hours prior to your arrival time.
- For all exams: If possible, limit the amount of metallic objects on your person prior to arriving for your examination. You will be asked to remove any hairpins, eyeglasses, jewellery, dental work, hearing aids and any other metallic objects on your person. You will be asked to change into a hospital gown.
- Please be prepared to remove any medication patches prior to your exam
- If you are claustrophobic (uncomfortable in small places), please arrange for medication with your doctor. If you are prescribed medication to help you relax during the examination, please make sure you have someone to accompany you home.
- If you have worked with metal or have had metal in your eyes, please arrange with your doctor to have eye xrays prior to your MRI.
- If you have shrapnel or bullets embedded in tissue, please arrange with your doctor to have xrays of the affected area prior to your MRI

Important

- Please bring your **Ontario Health Card** and this form to your appointment
- **Patients must be able to consent to the procedure. If language is a barrier, please bring an interpreter.**
- If you are unable to keep your appointment, please give us 24 hours' notice
- We kindly ask that you do not wear or apply fragrances in support of our Fragrance Free policies.
